HOLIDAY GIFT GUIDE 2015

Gift Ideas At Any Price

Give The Gift Of A Connected Home.

WeMo's affordable, approachable, smart solutions are perfect for newbies to the smart home or anyone who could use a little extra control over their household. Old favorites and new additions to the WeMo line-up make perfect gifts this holiday season.

Gifts Under \$50

WeMo LED Starter Kit

The holidays are a prime time for break-ins. The WeMo LED Starter Set's vacation mode can help you fool would-be thieves by setting your lights to turn on and off at random times so it looks like you are home. **\$49.99**

WeMo Light Switch

Burning the midnight oil wrapping gifts and forget to turn off the lights all the way in the basement? Are the kids home for winter break and constantly leaving the lights on? The WeMo Light Switch is the perfect solution to make sure your lights are only on/off when they need to be. **\$49.99**

Gifts Under \$100

WeMo Maker

The perfect gift for the tinkerer in your family that just can't stop building things, the WeMo Maker lets you connect any device with a 5 volt switch or sensor to the WeMo family. Connect sprinklers, garage doors, or even electronic toys, the WeMo Maker is endless fun for the maker crowd. **\$79.99**

WeMo Insight Switch

WeMo Insight is the ultimate holiday lighting tool – no more dodging branches to plug in the tree lights! Turn on/off with a smart device, set schedules or use with IFTTT to create festive lighting recipes. **\$59.99**

Pet Lovers

NetCam HD+

Perfect for keeping track of Fido when you are away, the NetCam HD+ let's pet owners see what their animals are up to at home with crystal clear 720P resolution and night vision. Finally see exactly what it is they do all day, or even tell them to get off the sofa or out from under the Christmas tree using the push-to-talk feature. **\$129.99**

The Coffee Junkie

Mr. Coffee Smart Optimal Brew Coffeemaker with WeMo

For those that can't get through the holiday season without a caffeine fix, the Mr. Coffee Smart Coffeemaker makes it easy for coffee on demand. Have a cup waiting for you when you get home from holiday shopping or start coffee brewing earlier than usual when the kids just can't wait to get up on Christmas morning. **\$149.99**

The Gardener

WeMo + Lightify Gardenspot Mini

The kitchen is the heart of the home during the holiday season, so make it shine with the WeMo + Lightify Flex Strip RGBW starter set. Customize the perfect lighting scheme for your holiday party or draw attention to a favorite piece of furniture or your home's best architectural element. **\$129.99 / \$79.99**

The Modern Cook

Crock-pot Smart Slow Cooker with WeMo

Don't let the busy holiday season mess with dinner. Busy cooks can stop, delay or change the temperature on dinner to ensure it's always ready when you are. Perfect for creating delicious holiday dinners, desserts or even hot beverages for those cold nights. **\$129.99**

The Interior Designer

WeMo + Lightify Flex Strip RGBW

The kitchen is the heart of the home during the holiday season, so make it shine with the WeMo + Lightify Flex Strip RGBW starter set. Customize the perfect lighting scheme for your holiday party or draw attention to a favorite piece of furniture or your home's best architectural element. **\$119.99 / \$64.99**

The YouTuber

WeMo + Lightify Tunable White Starter Set

Know an aspiring YouTube star or blogger? Make shooting videos a breeze with tunable white LED bulbs from WeMo and OSRAM LIGHTIFY. It's tricky to get just the right light, but the WeMo makes it easy to set the perfect shade of white so their content can shine online. **\$99.99**
