IMPORTANT NOTICE REGARDING YOUR CONSUMER RIGHTS

The benefits we give in this manufacturer's warranty are **additional to** any rights and remedies that you may have under local consumer protection laws. Nothing in this warranty limits or affects your legal rights.

This manufacturer's warranty is governed by the laws of the country in which you purchased your Belkin or Linksys product. In many countries, consumers have rights under local consumer laws. Those consumer rights may differ between countries, states and provinces, and often cannot be excluded. Your local consumer rights organization can advise you on your legal rights.

This manufacturer's warranty is not intended to:

- change or exclude any rights under consumer law that cannot be lawfully changed or excluded; or
- limit or exclude any right you have against the person who sold the Belkin or Linksys product to you if that person has breached their sales contract with you.

WHAT DOES THIS WARRANTY COVER?

Belkin warrants that the product hardware and any software media (i.e. media on which the product software is provided) will be free from defects in materials and workmanship under normal use during the Warranty Period described below. This means that the product won't be faulty, and that it will look and work as advertised, during the relevant period.

How long is the product warranted?

Belkin warrants that the hardware in this Belkin or Linksys product, and any associated software media, will be free from defects in materials and workmanship under normal use during the Warranty Period. The Warranty Period begins on the date the product was purchased by the original end-user purchaser and lasts for the period set out in the table below:

Product Type	Warranty Period
New products	2 Years
Repaired or replacement* products	The longer of the remainder of the original Warranty Period or 30 days
Software media (if provided with the product)	90 days

* If you are a consumer in the People's Republic of China, your replacement product will be warranted for the Warranty Period for new products.

A claim under this warranty is only eligible if it is made within the Warranty Period.

What isn't covered?

Belkin does not give any warranty:

- in relation to software or services, provided by Belkin or any third party, included in or with the product;
- that the product, software or services will always operate uninterrupted or error free;
- that the product, software or services, or any equipment, system or network on which the product, software or services are used are 100% secure and cannot be hacked; or
- that a third party service the product needs will always be available.

Note: Although Belkin does not make these promises in this warranty, you may have additional rights under consumer laws.

Will this warranty always apply?

This warranty does not apply if:

- the product has been tampered with or the assembly seal has been removed or damaged;
- the product has been altered or modified by someone other than Belkin;
- the warranty claim was made fraudulently or by misrepresentation;
- the product was not installed, operated, repaired, or maintained in accordance with Belkin's instructions;
- the product has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident;
- damage to the product is cosmetic, including scratches and dents, or defects caused by normal wear and tear or normal aging of the product;
- the serial number on the product has been altered, defaced, or removed; or
- the product was supplied or licensed for beta, evaluation, testing or demonstration purposes, and you didn't buy or license the product.

Note: Although this warranty doesn't apply in these situations, you may have additional rights under consumer laws.

How will Belkin make things right?

If you make an eligible claim under this warranty, Belkin will, at its election:

- repair the product with new or refurbished parts, or pay the reasonable costs of repairing the product;
- replace the product with a reasonably available equivalent new or refurbished Belkin or Linksys product; or

Any repaired or replacement products are warranted for the remainder of the original Warranty Period or 30 days, whichever is longer. However, if you are a consumer in the People's Republic of China, your replacement product will be warranted for the Warranty Period for new products. All products and parts that are replaced become the property of Belkin.

Note: The rights and remedies outlined above are the only rights and remedies available under this warranty. However, you may have additional rights under consumer laws.

General Exclusions and Limitations of Liability

In some jurisdictions and circumstances it is possible for a manufacturer to change or exclude warranties, conditions or guarantees implied or imposed by law, and to otherwise limit its liability to consumers.  - c) any indirect, consequential, special, incidental or punitive loss or damages,which arises under any law (including the law of negligence) and relates to your use, or inability to use a Belkin or Linksys product or software, or any related services. This exclusion applies even if Belkin has been advised of the possibility of such damages and even if any warranty or remedy provided under this manufacturer's warranty fails of its essential purpose; and
- limits its monetary liability to you, under any law, to the price that you paid for the Belkin or Linksys product.

If a warranty cannot be excluded or disclaimed, it is limited to the duration of the relevant express warranty period.

References in this Section to "special, indirect, consequential or incidental losses" shall mean any losses which (i) were not reasonably foreseeable by both parties, and/or (ii) were known to you but not to us and/or (iii) were reasonably foreseeable by both parties but could have been prevented by you such as, for example (but without limitation), losses caused by viruses, Trojans or other malicious programs, or loss of or damage to your data.

In addition, please take note that no oral or written information or advice given by Belkin, a dealer, agent or affiliate shall create a warranty.
