LIMITED WARRANTY (EMEA)

This warranty is provided to you by Belkin Limited, Express Business Park, Shipton Way, Rushden, NN10 6GL, United Kingdom, a wholly-owned subsidiary of Belkin International, Inc., or one of its affiliates (“Belkin”)

IMPORTANT NOTICE REGARDING YOUR CONSUMER RIGHTS

The benefits we give in this manufacturer's warranty are additional to any rights and remedies that you may have under local consumer protection laws. Nothing in this warranty limits or affects your legal rights.

This manufacturer's warranty is governed by the laws of the country in which you purchased your Belkin, Linksys or WeMo product. In many countries, consumers have rights under local consumer laws. Those consumer rights may differ between countries, states and provinces, and often cannot be excluded. Your local consumer rights organization can advise you on your legal rights.

This manufacturer's warranty is not intended to:

- change or exclude any rights under consumer law that cannot be lawfully changed or excluded; or
- limit or exclude any right you have against the person who sold the Belkin, Linksys or WeMo product to you if that person has breached their sales contract with you.

WHAT DOES THIS WARRANTY COVER?

Belkin warrants that the product hardware and any software media (i.e. media on which the product software is provided) will be free from non-conformities under normal use during the Warranty Period described below. This means that the product won't be faulty, and that it will look and work as advertised, during the relevant period.

This warranty does not apply to products purchased from a source other than Belkin or a Belkin Authorized Reseller.

How long is the product warranted?

Belkin warrants that the hardware in this Belkin, Linksys or WeMo product, and any associated software media, against non-conformities under normal use during the Warranty Period. The Warranty Period begins on the date the product was purchased by the original end-user purchaser and lasts for the period set out in the table below:

Product Type	Warranty Period
New products	5 year
Refurbished products	1 year
Repaired products	The longer of the original Warranty Period or 30 days

Replacement products	The longer of the original Warranty Period or 30 days
Software media (if provided with the product)	90 days

A claim under this warranty is only eligible if it is made within the Warranty Period.

This warranty applies to products bought in Europe, the Middle East and Africa. Separate warranties apply if you are domiciled in France, Germany, Italy or Spain.

What isn't covered?

Belkin does not give any warranty:

- in relation to software or services, provided by Belkin or any third party, included in or with the product;
- that the product, software or services will always operate uninterrupted or error free (unless you are domiciled in Italy);
- that the product, software or services, or any equipment, system or network on which the product, software or services are used are 100% secure and cannot be hacked; or
- that a third party service the product needs will always be available.

Note: Although Belkin does not make these promises in this warranty, you may have additional rights under consumer laws.

Will this warranty always apply?

This warranty does not apply if:

- the product has been tampered with or the assembly seal has been removed or damaged;
- the product has been altered or modified by someone other than Belkin;
- the warranty claim was made fraudulently or by misrepresentation;
- the product was not installed, operated, repaired, or maintained in accordance with Belkin's instructions;
- the product has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident;
- damage to the product is cosmetic, including scratches and dents, or defects caused by normal wear and tear or normal aging of the product;
- the serial number on the product has been altered, defaced, or removed;
- the product was supplied or licensed for beta, evaluation, testing or demonstration purposes, and you didn't buy or license the product; or
- the non-conformity in the product was not notified to Belkin within 2 months from the discovery of the non-conformity, or became apparent later than 2 years from the delivery of the defective product to you.

Note: Although this warranty doesn't apply in these situations, you may have additional rights under consumer laws.

How will Belkin make things right?

If you make an eligible claim under this warranty, Belkin will:

- repair the product with new or refurbished parts, or pay the reasonable costs of repairing the product;
- replace the product with a reasonably available equivalent new or refurbished Belkin, Linksys or WeMo product; or
- refund you the purchase price of the product, minus any rebates and discounts.

You are entitled to choose one of the above options unless the option you choose is objectively impossible or excessively expensive compared to the others. An option will be excessively expensive if it imposes on us unreasonable costs in comparison with the other options, taking into account the following:

- what the value of the product would be save for the defect;
- the significance of the non-conformity; and
- whether the alternative option could be carried out without significant inconvenience to you.

Any repaired or replacement products are warranted for the remainder of the original Warranty Period. All products and parts that are replaced become the property of Belkin.

Note: The rights and remedies outlined above are the only rights and remedies available under this warranty. However, you may have additional rights under consumer laws.
