

## YourType™ Keyboard Case for Kindle Fire HD 8.9"

Delivering the best typing experience. Enjoy!

### Product Overview

1. Bluetooth® keyboard

2. Status LED

3. Charging port (micro-USB)

4. Bluetooth pair button

To start, charge your keyboard by connecting the USB cable to an appropriate USB power source (e.g. laptop, USB wall charger, etc.) and the micro-USB to your keyboard.

When the battery is fully charged, the Status amber LED turns OFF.

Then pair it with your Kindle Fire HD. The Status LED light will flash blue while the keyboard is not paired.

To initiate pairing between the keyboard and iPad, ensure that they are in close proximity:

#### For Kindle Fire HD:

- 1 Go to the Home screen on your Kindle Fire HD and slide down the settings menu on "Settings menu > Wireless > Bluetooth."
- 2 Turn *Bluetooth* to "On."
- 3 Turn on the keyboard and press and hold the "Pair" key. The Status LED will flash blue on the keyboard and the keyboard will show up under "Devices" on the tablet. Select "Belkin Bluetooth Keyboard." Note: When pairing and charging simultaneously, the amber charging light will remain on while the blue pairing light flashes.
- 4 A code will appear on the Kindle Fire HD screen. Use the keyboard to enter this code followed by the "Enter" key.
- 5 If, after 60 seconds, pairing fails, you will have to repeat the steps above. You can view the status from the screen of the Kindle Fire HD.

Note: For other *Bluetooth* devices, follow device's *Bluetooth* pairing instructions.

After creating a paired link, you do not need to repeat the pairing process; the keyboard automatically links to the tablet or smartphone when both devices are switched on. Pairing must be performed every time you want to use the keyboard with a different tablet or smartphone. Note that when the power switch is OFF and you plug the USB cable to charge the keyboard, it'll attempt to pair the device.

The keyboard is designed to prolong battery life and will enter into battery-saving mode under prolonged inactivity. To wake the keyboard, press any button. The Status LED will flash blue while the connection is being reestablished, and will be solid blue for two seconds when the connection is successfully established. The Status LED then turns off during ongoing operation.

### Bluetooth Wireless Technology

*Bluetooth* wireless technology has revolutionized the personal connectivity market by providing seamless freedom from wired connections. It offers a small form factor and a low-cost radio solution, providing links between mobile computers, mobile phones, and other portable and handheld devices as well as connectivity to the Internet. The *Bluetooth* Special Interest Group (SIG), composed of leaders in the telecommunications, computing, and network industries, is driving development of the technology and bringing it to market. The *Bluetooth* SIG includes promoter companies 3Com®, Ericsson®, IBM®, Intel®, Lucent®, Microsoft®, Motorola®, Nokia®, Toshiba®, and more than 2,000 adopter companies.

### Safety Precautions

Please read the following carefully before using the product. Incorrect use or incompatibility with your device may result in reduced performance or damage to your device.

- Do not attempt to disassemble product.
- Store and operate between 32° F–113° F.
- Do not allow this product to have contact with liquids.
- Do not place this product near a heat source or flame or it may explode.
- Do not throw or shake the Keyboard Case.
- Do not crush or puncture the Keyboard Case.
- Use soft cloth to clean the exterior. Do not use harsh chemicals or strong cleaning solvents.

### Recycling/Discarding

This product should be disposed of properly. Please do not dispose in trash receptacles or incinerate. Recycling programs for this product/packaging may not exist in your area.

### FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful

interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

#### **RSS-Gen & RSS-210 Statement:**

This device complies with Industry Canada license-exempt RSS standard(s).

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

#### **RSS-102 Statement:**

This equipment complies with Industry Canada radiation exposure limits set forth for an uncontrolled environment.

#### **Belkin International, Inc., Limited 1-Year Product Warranty**

##### **What this warranty covers:**

Belkin International, Inc. ("Belkin") warrants to the original purchaser of this Belkin product that the product shall be free of defects in design, assembly, material, or workmanship.

##### **What the period of coverage is:**

Belkin warrants the Belkin product for one year.

##### **What will we do to correct problems?**

###### *Product Warranty.*

Belkin will repair or replace, at its option, any defective product free of charge (except for shipping charges for the product). Belkin reserves the right to discontinue any of its products without notice, and disclaims any limited warranty to repair or replace any such discontinued products. In the event that Belkin is unable to repair or replace the product (for example, because it has been discontinued), Belkin will offer either a refund or a credit toward the purchase of another product from Belkin.com in an amount equal to the purchase price of the product as evidenced on the original purchase receipt as discounted by its natural use.

##### **What is not covered by this warranty?**

All above warranties are null and void if the Belkin product is not provided to Belkin for inspection upon Belkin's request at the sole expense of the purchaser, or if Belkin determines that the Belkin product has been improperly installed, altered in any way, or tampered with. The Belkin Product Warranty does not protect against acts of God such as flood, lightning, earthquake, war, vandalism, theft, normal-use wear and tear, erosion, depletion, obsolescence, abuse, damage due to low voltage disturbances (i.e. brownouts or sags), non-authorized program, or system equipment modification or alteration.

##### **How to get service:**

To get service for your Belkin product you must take the following steps:

1. Contact Belkin International, Inc., at 12045 E. Waterfront Drive, Playa Vista, CA 90094, Attn: Customer Service, or call (800)-223-5546, within 15 days of the Occurrence.

Be prepared to provide the following information:

- a. The part number of the Belkin product.
- b. Where you purchased the product.
- c. When you purchased the product.
- d. Copy of original receipt.

2. Your Belkin Customer Service Representative will then instruct you on how to forward your receipt and Belkin product and how to proceed with your claim.

Belkin reserves the right to review the damaged Belkin product. All costs of shipping the Belkin product to Belkin for inspection shall be borne solely by the purchaser. If Belkin determines, in its sole discretion, that it is impractical to ship the damaged equipment to Belkin, Belkin may designate, in its sole discretion, an equipment repair facility to inspect and estimate the cost to repair such equipment. The cost, if any, of shipping the equipment to and from such repair facility and of such estimate shall be borne solely by the purchaser. Damaged equipment must remain available for inspection until the claim is finalized. Whenever claims are settled, Belkin reserves the right to be subrogated under any existing insurance policies the purchaser may have.

##### **How state law relates to the warranty.**

THIS WARRANTY CONTAINS THE SOLE WARRANTY OF BELKIN. THERE ARE NO OTHER WARRANTIES, EXPRESSED OR, EXCEPT AS REQUIRED BY LAW, IMPLIED, INCLUDING THE IMPLIED WARRANTY OR CONDITION OF QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND SUCH IMPLIED WARRANTIES, IF ANY, ARE LIMITED IN DURATION TO THE TERM OF THIS WARRANTY.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

IN NO EVENT SHALL BELKIN BE LIABLE FOR INCIDENTAL, SPECIAL, DIRECT, INDIRECT, CONSEQUENTIAL OR MULTIPLE DAMAGES SUCH AS, BUT NOT LIMITED TO, LOST BUSINESS OR PROFITS ARISING OUT OF THE SALE OR USE OF ANY BELKIN PRODUCT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. Some states do not allow the exclusion or limitation of incidental, consequential, or other damages, so the above limitations may not apply to you.
