

BELKIN®

n52te

TOURNAMENT EDITION

TIME FOR YOUR COMPETITION
TO SEE YOU IN A NEW LIGHT

Whether your passion is rooted in FPS, MMORPG, or RTS games, Belkin's n52te is built to dominate with swift execution. Gain a competitive edge with fully customizable keys, portable player profiles, cool blue backlighting, and Razer's killer performance tools. Bring on all challengers and see why your n52te won't be the only thing that's lit up.

GEAR UP TO DESTROY THE OPPOSITION
LIKE NEVER BEFORE

Adjustable soft-touch wrist pad for maximum comfort and endurance

Easily toggle between 3 keymap states

Programmable 8-way thumb pad with removable joystick

Nonslip rubber pads grip in place for aggressive fragging

15 fully programmable keys built for complete customization and speed

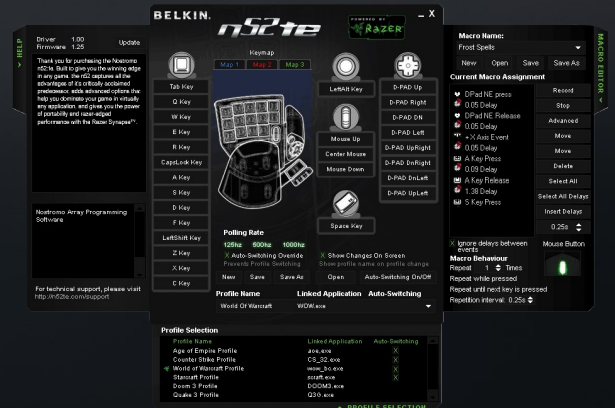

Enhanced tactile feedback and button responsiveness for rapid key presses

Backlit keypad and scroll wheel for total control in dark conditions

POWERED BY RAZER™ :

- Personalize multiple player profiles for all your games
- Razer Synapse™ onboard memory enables plug-and-play versatility with no additional software installation
- Unparalleled customization tools for intuitive setup and performance
